About

The 5th International Joint Conference RuleML+RR 2024 invites researchers and practitioners to engage in groundbreaking discussions and explore innovative applications at the cusp of rule-based reasoning and knowledge representation. This prestigious event brings together two leading conferences in these fields: RuleML (International Web Rule Symposium) and RR (International Conference on Rules and Reasoning).

RuleML+RR 2024 provides a unique platform for sharing the latest advancements in logic-based technologies and their applications across a wide range of domains, including artificial intelligence, law, healthcare, and engineering. The conference will feature keynote speeches by renowned experts, paper presentations, workshops, tutorials, and ample opportunities for networking and collaboration.

Topics

RuleML+RR 2024 welcomes submissions on a broad range of topics related to rule-based reasoning and knowledge representation, including but not limited to:

- Rule-based and ontology-based reasoning
- Logic-based artificial intelligence
- Knowledge representation and management

- Applications of rule-based technologies in various domains (e.g., AI, law, healthcare, engineering)

Important Dates

- Paper submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024
- Camera-ready paper submission deadline: June 15, 2024
- Conference dates: September 13-15, 2024

Submission Guidelines

Authors are invited to submit original research papers in the following categories:

- **Full papers:** Up to 12 pages, including references
- **Short papers:** Up to 6 pages, including references

All submissions must be written in English and formatted according to the LNCS style guidelines. Submissions will be peer-reviewed by a panel of experts in the field.

For detailed submission guidelines and online submission portal, please visit the conference website.
