The 7th International Conference on Information Technology Applications and Practice (ITAP 2024) will be held as part of the 23rd HCI International Conference, a leading forum for researchers, practitioners, and educators to present and discuss the latest advances in the field of human-computer interaction.

ITAP 2024 will provide a unique opportunity for researchers and practitioners from all over the world to share their latest findings and experiences in the field of information technology applications and practice. The conference will feature a wide range of topics, including:

- Artificial intelligence and machine learning

- Big data and data analytics

- Cloud computing and edge computing

- Cybersecurity and privacy

- Digital health and healthcare

- E-commerce and online marketing

- Educational technology and learning

- Financial technology and fintech

- Government and public sector IT

- Human-computer interaction and user experience

- Internet of things (IoT) and smart cities

- Mobile computing and mobile applications

- Social media and social computing

The conference will also feature a number of special sessions and workshops, as well as a keynote address by a leading expert in the field. ITAP 2024 is an excellent opportunity for researchers and practitioners to learn about the latest advances in the field, network with other experts, and share their own findings.

Important Dates

- Paper submission deadline: March 15, 2024

- Notification of acceptance: May 15, 2024

- Camera-ready paper submission deadline: June 15, 2024

- Conference dates: July 15-19, 2024

Submission Guidelines

All papers must be submitted electronically through the conference website. Papers should be formatted according to the IEEE conference template and should not exceed 8 pages in length. All papers will be peer-reviewed by a panel of experts in the field.

Registration

Registration for the conference will open in early 2024. Early registration discounts will be available until June 15, 2024.

Contact Information

For more information about the conference, please contact the conference secretariat at itap2024@hci-international.org.

About the HCI International Conference

The HCI International Conference is a leading forum for researchers, practitioners, and educators to present and discuss the latest advances in the field of human-computer interaction. The conference is held annually in different locations around the world. The 23rd HCI International Conference will be held in Orlando, Florida, USA, from July 15-19, 2024.
