By John Gierach

In his latest book, *An Unwashed View of Life, Work, and Fly Fishing*, John Gierach once again proves himself to be a master of the essay form. With his trademark wit and wisdom, Gierach tackles a wide range of topics, from the challenges of fly fishing to the importance of family and friends.

Gierach's writing is both personal and universal. He shares stories from his own life, but he also explores themes that resonate with all of us. In the title essay, for example, Gierach reflects on the nature of work. He argues that work is not just about earning a living; it is also about finding meaning and purpose in life.

Gierach is a lifelong fly fisherman, and his passion for the sport shines through in his writing. He writes about the beauty of nature, the thrill of the chase, and the camaraderie of fellow anglers. But Gierach also uses fly fishing as a metaphor for life. He sees fly fishing as a way to learn about patience, perseverance, and the importance of living in the moment.

In addition to his essays on fly fishing, Gierach also writes about family, friends, and the meaning of life. He shares stories about his wife, his children, and his friends. He reflects on the challenges and joys of marriage, parenting, and aging. And he explores the big questions about life, such as why we are here and what happens after we die.

An Unwashed View of Life, Work, and Fly Fishing is a thought-provoking and humorous exploration of the human condition. Gierach's writing is both insightful and entertaining, and his essays are sure to stay with you long after you finish reading them.

Reviews

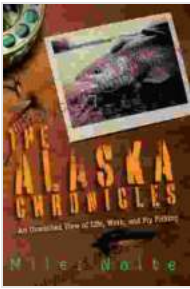

"John Gierach is one of the funniest and wisest writers around. His essays on fly fishing, life, and everything in between are a delight to read." - The New York Times Book Review

"Gierach is a master of the essay form. His writing is clear, concise, and full of wit and wisdom." - The Washington Post Book World

"Gierach's essays are a joy to read. He writes with humor, intelligence, and a deep understanding of the human condition." - The Boston Globe

About the Author

John Gierach is the author of over twenty books on fly fishing, including the bestsellers *Trout Bum*, *Sex, Death, and Fly Fishing*, and *Good Flies: Last Chance to Fish*. He has also written numerous essays and articles for magazines such as *Field & Stream*, *Outdoor Life*, and *Gray's Sporting Journal*. Gierach lives in Boulder, Colorado, with his wife and two children.
