Synopsis

In the affluent world of the Carrington family, wealth, power, and prestige have always taken precedence. But behind the façade of opulence lies a simmering rivalry between cousins, Emily and Charlotte.

Emily, the illegitimate daughter of the late patriarch, has always felt like an outsider in her own family. Driven by a burning desire for acceptance, she vows to prove her worth and seize control of the family inheritance.

Charlotte, the legitimate heir, is equally determined to protect her birthright. Intelligent, ruthless, and manipulative, she will stop at nothing to maintain

her status as the rightful successor.

As Emily and Charlotte engage in a relentless battle for dominance, secrets from the past resurface, threatening to tear their family apart at the seams. Betrayal, greed, and long-held grudges ignite a dangerous game where nothing is as it seems.

In this gripping tale of sibling rivalry, family secrets, and the pursuit of power, Anna Ciddor weaves a suspenseful narrative that will keep you on the edge of your seat from beginning to end.
