## 1. Country House Mystery by Agatha Christie

In the heart of the English countryside, amidst the grandeur of Enderby Hall, Agatha Christie's "Country House Mystery" unfolds. As a group of guests gathers for a weekend retreat, a series of puzzling incidents cast a shadow over the festivities. A valuable pearl necklace vanishes, and strange, threatening letters begin to circulate.

Enter the brilliant detective Hercule Poirot, who arrives to unravel the tangled threads of suspicion. With his astute observation and meticulous deductions, Poirot delves into the hidden motives and conflicting alibis of the household's inhabitants. As he uncovers long-buried secrets and simmering resentments, the true nature of the mystery becomes increasingly elusive.

## **2. The Edge by Dorothy L. Sayers**

In an isolated country house perched on a treacherous cliff, Dorothy L. Sayers' "The Edge" weaves a tale of suspense and psychological intrigue. When a young woman is found dead at the bottom of the garden, Lord Peter Wimsey takes on the investigation.

As Wimsey delves into the victim's enigmatic past, he encounters a cast of eccentric characters, each with their own secrets and hidden connections. The line between truth and deception blurs as Wimsey unravels a complex web of relationships and long-held grudges. With every twist and turn, the true nature of the killer's motive remains tantalizingly out of reach.

## **3. The Milkman's Round by Margery Allingham**

In the quaint village of Craye St. Mary, Margery Allingham's "The Milkman's Round" introduces us to the seemingly ordinary life of Mr. Campion, a mild-mannered milkman. However, beneath this unassuming facade lies a keen detective mind.

When a series of seemingly unrelated incidents disrupt the village's tranquility, Mr. Campion's curiosity is piqued.
