Through the lens of these vintage images, you'll witness the transformation of Dorchester from a rural farming community to a bustling urban center. You'll see iconic landmarks like the Dorchester Heights Monument, the John F. Kennedy Library and Museum, and the Codman Square Branch of the Boston Public Library.

But beyond the landmarks, Dorchester Volume II also captures the everyday life of the neighborhood's residents. You'll see children playing in the streets, families gathered on porches, and workers going about their daily routines. These images provide a glimpse into the human side of

Dorchester's history and help us to connect with the people who have shaped this community.

Whether you're a lifelong resident of Dorchester or a visitor exploring the neighborhood for the first time, Dorchester Volume II: Images of America is a must-have for anyone who wants to learn more about this historic and vibrant part of Boston.

Reviews

"Dorchester Volume II: Images of America is a beautiful and informative book that captures the essence of this historic neighborhood. The photographs are stunning and the text is engaging. I highly recommend this book to anyone who is interested in Dorchester or Boston history."

- The Boston Globe

"Dorchester Volume II: Images of America is a valuable addition to the Images of America series. The book provides a fascinating look at the history of Dorchester and its people. I highly recommend this book to anyone who is interested in local history or photography."

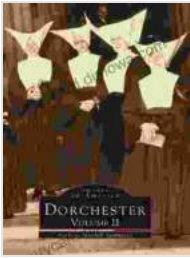

- The Dorchester Reporter
