Worthing is a seaside town on the south coast of England, about 50 miles southwest of London. It is a popular destination for tourists, who come to enjoy the town's beaches, shops, and restaurants. But Worthing is also famous for its literary associations. It is the setting for Jane Austen's unfinished novel, Sanditon.

Sanditon was written in the last year of Austen's life, and it was published posthumously in 1817. The novel tells the story of Charlotte Heywood, a young woman who travels to Sanditon to visit her brother. Charlotte is immediately struck by the town's beauty and vitality, and she soon falls in love with the charming Mr. Sidney Parker. However, Sanditon is not all that it seems, and Charlotte soon discovers that there is a dark side to the town.

Austen's description of Worthing in *Sanditon* is remarkably accurate. The town's buildings, streets, and landmarks are all faithfully depicted in the novel. Austen also captures the atmosphere of the town, which is a mixture of gentility and vulgarity. Worthing is a place where people come to relax and enjoy themselves, but it is also a place where there is a lot of gossip and intrigue.

Austen's portrayal of Worthing in *Sanditon* is a fascinating glimpse into the world of Regency England. The novel shows us what life was like for the people who lived in these seaside towns, and it provides a valuable insight into Austen's own life and work.

The Real Worthing

The real Worthing is a much different place today than it was in Austen's time. The town has grown and developed over the years, and it is now a thriving modern town. However, there are still many traces of the old Worthing that Austen knew. The town's architecture is a mixture of Georgian and Victorian buildings, and there are still many of the same streets and landmarks that Austen described in *Sanditon*.

One of the most popular attractions in Worthing is the promenade. This long, wide walkway stretches along the beachfront, and it is a great place to take a stroll and enjoy the views of the sea. The promenade is also home to a number of cafes, restaurants, and shops.

Another popular attraction in Worthing is the Worthing Museum and Art Gallery. This museum tells the story of Worthing's history, and it houses a collection of art and artifacts from the town's past. The museum is located in a beautiful Georgian building, and it is well worth a visit.

Worthing is a great place to visit for anyone who is interested in Jane Austen or Regency England. The town is full of history and charm, and it is easy to see why Austen chose it as the setting for Sanditon.

How to Get to Worthing

Worthing is easily accessible by train from London. The journey takes about 1 hour and 15 minutes. Worthing is also accessible by car, and there is plenty of parking available in the town.

Where to Stay in Worthing

There are a number of hotels and guesthouses in Worthing. Some of the most popular options include:

- The Worthing Hotel
- The Beach House Hotel
- The Burlington Hotel

Where to Eat in Worthing

There are a number of great places to eat in Worthing. Some of the most popular options include:

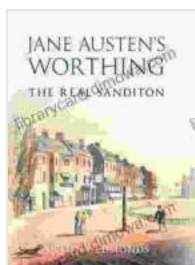

- The Crab Shack
- The Lobster Pot
- The Lemon Tree Restaurant

Things to Do in Worthing

There are a number of things to do in Worthing. Some of the most popular activities include:

- Walking along the promenade
- Visiting the Worthing Museum and Art Gallery
- Going to the beach
- Shopping in the town center
- Eating at one of the many restaurants in town

Worthing is a great place to visit for anyone who is interested in Jane Austen or Regency England. The town is full of history and charm, and it is easy to see why Austen chose it as the setting for Sanditon.
