Synopsis

Laika is the true story of the first dog to orbit the Earth. In 1957, the Soviet Union launched Sputnik 2 into space, carrying Laika on board. Laika's mission was to help scientists learn more about the effects of space travel on living creatures. She was a brave and loyal dog, and her story is both heartwarming and thought-provoking.

Nick Abadzis' graphic novel adaptation of Laika's story is a beautifully illustrated and emotionally resonant work of art. Abadzis tells Laika's story with compassion and sensitivity, and he brings her character to life in a way that is both heartbreaking and inspiring. This book is a must-read for animal lovers, history buffs, and anyone who appreciates a good story.
