Icke argues that the world is run by a small group of elites who use lies and deception to maintain their power. He claims that these elites are responsible for everything from the global financial crisis to the wars in the Middle East.

Icke's book is a must-read for anyone who wants to understand the true nature of our world. It is a challenging and thought-provoking book that will change the way you see the world.

The Hidden Forces That Control Our World

In *The Bigger The Lie The More People Will Believe It*, Icke reveals the hidden forces that control our world.

These forces include:

- The global banking cartel
- The military-industrial complex
- The media
- The pharmaceutical industry
- The intelligence agencies

These forces work together to create a system of control that keeps the masses in line.

Lies and Deception

The elites use lies and deception to maintain their power.

Some of the most common lies that the elites tell include:

- That we live in a democracy
- That the economy is healthy
- That the wars in the Middle East are necessary
- That the pharmaceutical industry is safe and effective
- That the intelligence agencies are protecting us

These lies are designed to keep us ignorant and complacent.

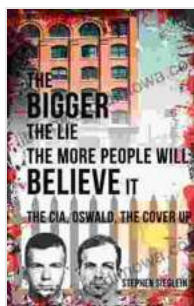

A Must-Read Book

The Bigger The Lie The More People Will Believe It is a must-read book for anyone who wants to understand the true nature of our world.

It is a challenging and thought-provoking book that will change the way you see the world.

If you are ready to learn the truth about the world, then I urge you to read The Bigger The Lie The More People Will Believe It.
