In the heart of Lincoln, Nebraska, lies the seemingly idyllic Gunn Zoo. But behind the cheerful facade lies a dark secret—the unsolved murder of a beloved puffin.

On a crisp autumn morning in 2019, zookeepers discovered the lifeless body of Percy the puffin. The once-vibrant bird lay motionless in its enclosure, a single knife wound piercing its chest.

The news sent shockwaves through the community. How could such a beloved animal be brutally murdered? And who would be heartless enough to commit such a heinous crime?

The Lincoln Police Department launched a full-scale investigation, but despite their best efforts, the case remains unsolved.

Now, in the chilling new book "The Puffin of Death," investigative journalist Sarah Jones unravels the twisted tale behind this shocking crime. Through exclusive interviews with zookeepers, police officers, and eyewitnesses, Jones paints a vivid picture of the events leading up to Percy's untimely demise.

Was it a disgruntled employee? A jealous rival? Or a random act of violence? Jones explores every angle, following the clues and uncovering the hidden motives that could have led to Percy's death.

Along the way, Jones delves into the dark underbelly of the zoo world, exposing the secrets and scandals that often go unseen by the public.

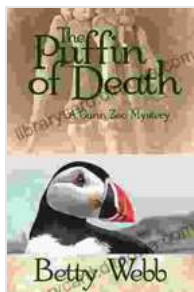

As the investigation deepens, Jones uncovers a web of suspects with their own secrets and agendas. From the eccentric zoo director to the enigmatic

animal handler, each individual becomes a potential suspect in the eyes of the police.

With each revelation, Jones takes readers deeper into the labyrinth of the Gunn Zoo, a place where the line between human and animal blurs and the truth becomes more elusive than ever.

"The Puffin of Death" is a gripping mystery that will keep you on the edge of your seat. It is a shocking true crime story that exposes the hidden darkness lurking beneath the surface of our beloved zoos.
