This book is the most comprehensive and up-to-date guide to restoring your BMW E30. It covers everything you need to know, from disassembly and bodywork to engine and suspension. With over 1,200 pages of detailed instructions and over 3,000 photos, this book is the ultimate resource for E30 enthusiasts.

What's Inside the Book?

The BMW E30 Restoration Guide is divided into 12 chapters, each of which covers a different aspect of the restoration process. Here's a brief overview of what you'll find in each chapter:

- **Chapter 1:** - This chapter provides an overview of the restoration process and what you can expect to find in the book.
- **Chapter 2: Disassembly** - This chapter shows you how to safely disassemble your E30, including removing the body panels, interior, and engine.
- **Chapter 3: Bodywork** - This chapter covers everything you need to know about repairing and repainting your E30's body, including welding, rust repair, and paint.
- **Chapter 4: Engine** - This chapter covers the basics of engine rebuilding, including cylinder head work, piston ring replacement, and camshaft installation.
- **Chapter 5: Suspension** - This chapter shows you how to rebuild your E30's suspension, including replacing shocks, springs, and bushings.
- **Chapter 6: Brakes** - This chapter covers everything you need to know about rebuilding your E30's brakes, including replacing pads, rotors, and calipers.
- **Chapter 7: Electrical** - This chapter shows you how to troubleshoot and repair your E30's electrical system, including wiring, lighting, and gauges.
- **Chapter 8: Interior** - This chapter covers everything you need to know about restoring your E30's interior, including upholstery, carpeting, and dashboard.
- **Chapter 9: Exterior** - This chapter shows you how to restore your E30's exterior, including bumpers, trim, and wheels.

- **Chapter 10: Troubleshooting** - This chapter provides tips on troubleshooting common problems that you may encounter during the restoration process.
- **Chapter 11: Resources** - This chapter provides a list of resources that can help you with your restoration, including parts suppliers, forums, and clubs.
- **Chapter 12:** - This chapter provides a summary of the restoration process and offers some tips for keeping your E30 in top condition.

Why Choose the BMW E30 Restoration Guide?

There are many reasons why you should choose the BMW E30 Restoration Guide over other books on the market. Here are just a few:

- **It's the most comprehensive guide available.** The BMW E30 Restoration Guide covers everything you need to know about restoring your E30, from disassembly and bodywork to engine and suspension. No other book on the market offers as much detail and coverage.
- **It's written by experts.** The BMW E30 Restoration Guide was written by a team of experienced E30 enthusiasts who have restored dozens of these cars. They know what it takes to restore an E30 to its former glory, and they've shared their knowledge in this book.
- **It's packed with photos.** The BMW E30 Restoration Guide is packed with over 3,000 photos that show you every step of the restoration process. These photos are invaluable for helping you to understand how to disassemble, repair, and reassemble your E30.
- **It's easy to follow.** The BMW E30 Restoration Guide is written in a clear and concise style that makes it easy to follow. Even if you're a

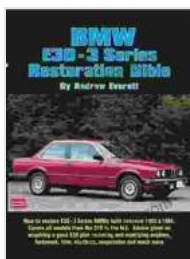

beginner, you'll be able to understand the instructions and complete your restoration successfully.
